SPONSORSHIP PROSPECTUS

The Combined Heat and Power Alliance, the leading national voice for the deployment of combined heat and power (CHP) and waste heat to power (WHP), is hosting its 4th annual National Summit on CHP in the Washington D.C. area. This in-person conference will convene industry experts, end-users and potential hosts, government leaders, policymakers, utilities, climate advocates, and other members of the clean energy community to discuss future pathways for CHP deployment.

We will build on the success of our 2022 National Summit to bring you a high-quality event in 2023 that will include:

Two networking receptions | Informative panel speakers | Awards ceremony
Buffet breakfast and lunch | Refreshment breaks
Interactive breakout sessions | Post-event informal gatherings | CHP site visits [TBD]

Join Us
Where: Crystal City Hyatt Regency
When: November 15-16, 2023
Who: We expect 200+ people to participate from across the market
The success of the National Summit on CHP will rely on generous financial sponsorships that support the cost of the venue, meals, and staff work to line up excellent speakers and panels. Please refer below for the sponsorship levels available this year.
